

Rule 8.3

Reporting Professional Misconduct

- (a) A lawyer shall, without undue delay, inform the State Bar, or a tribunal* with jurisdiction to investigate or act upon such misconduct, when the lawyer knows* of credible evidence that an other lawyer has committed a criminal act or has engaged in conduct involving dishonesty, fraud,* deceit, or reckless or intentional misrepresentation or misappropriation of funds or property that raises a substantial* question as to that lawyer's honesty, trustworthiness, or fitness as a lawyer in other respects.
- (b) Except as required by paragraph (a), a lawyer may, but is not required to, report to the State Bar a violation of these Rules or the State Bar Act.
- (c) For purposes of this rule, "criminal act" as used in paragraph (a) excludes conduct that would be a criminal act in another state, United States territory, or foreign jurisdiction, but would not be a criminal act in California.
- (d) This rule does not require or authorize disclosure of information gained by a lawyer while participating in a substance use or mental health program, or require disclosure of information protected by Business and Professions Code section 6068, subdivision (e) and rules 1.6 and 1.8.2; mediation confidentiality; the lawyer client privilege; other applicable privileges; or by other rules or laws, including information that is confidential under Business and Professions Code section 6234.
